Our trip extended over 32,000 miles and [Redacted] but none of these stops was more impressive than your efforts at [Redacted]. Many 25X1 thanks for a chance to see the important work you are doing so well and for your kind hospitality.

I had an opportunity to discuss with General Cabell the matter we talked about, and I suggest you come forward with the paper work as soon as you can. I have also talked with a number of persons concerned with these matters, and I feel your request will receive every consideration.

My best wishes to you and your fiance for happy and prosperous New Year.

Sincerely.
